We are forbidden by the federal government to ship white pine, currant and gooseberry plants west of the eastern boundary of N. Dak., S. Dak., Nebr. Kansas, Oklahoma and Texas. Plants and trees are sold: 500 at 1,000 rate; 50 at 100 rate; and 6 at the dozen rate.

After stock is delivered to the transportation company it travels at the risk of the purchaser; and, if lost, claim must be made to the transportation company as they are responsible for it.

Trees and plants are guaranteed to be fresh dug and alive when shipped but at the above prices I cannot replace any that may die.

Certificate of inspection will be on every shipment.

If we are strangers to each other and you do not feel safe in sending money to one not known to you, in that case, you may write to the First National Bank of Starbuck and ask if I am o. k. but remember to enclose a stamped envelope for returning information requested.

If you want trees or plants to be shipped and pay when you receive them, send me your bank reference.

Only one and two cent stamps will be accepted when remittance is made in stamps.
